

Mohamed A. El-Hodiri

Professor of Economics
 Faculty Honors Fellow
 The University of Kansas
 Lawrence, Kansas 66045

Office: Dept. of Economics
 213b Summerfield Hall
 (785) 864-2838
 email: elhodiri@ku.edu

Home: 2803 Stratford Rd
 Lawrence, KS 66049
 785 841 7918

Born: April 13, 1937, Minufia, Egypt Citizenship: USA Marital Status: Widowed, 3 children, 3 grand children

EDUCATION

- 1966 Ph.D. Economics, University of Minnesota.
- 1966 M.A. Mathematics, University of Minnesota.
- 1961 M.A. Economics, University of Minnesota.
- 1958-1959 Moscow State University, Graduate Student, No Degrees
- 1958 Bachelor of Commerce, Economics, Cairo University.

HONORS AND AWARDS

- 1958 First of Graduating Class, Cairo University.
 1958 Egyptian Government Study Abroad Fellowship.
 1993 Louise E. Byrd Graduate Educator Award, University of Kansas.
 1994 Ned N. Fleming Award Trust Award, University of Kansas.
 1994 Golden Key National Honor Society, University of Kansas.
 1995 Mortar Board.

Biographical Information Who is Who and American Men and Women in the Social Sciences.

Several references to works in Palgrave Dictionary of Economics, and Handbook of Mathematical Economics.

EXPERIENCE

- June-July 2000 Consultant Sales Tax Project, Cairo Egypt, KPMG (USAID)
- 1997-1999 Director, Fiscal Management Training Project, NTF/Barents Group, Moscow Russian Federation
- 1998-1999 Chief Country Representative Barents Group LLC, Barents Group Russia
- 1997- Curtsy Professor of Humanities , University of Kansas
- 2000- Faculty Honors Fellow, University of Kansas

- 1996-2000 Director, Transition Studies Program, University of Kansas
- 1994 - 2000 Associate Director, Institute for Public Policy and Business Research, University of Kansas.
- 1995- Professor of Russian and East European Studies, University of Kansas
- 1993 - Chief Economist, Senior Resident Advisor. Parliament Team, USAID Financial Restructuring Project, Russian Federation.
- 1993-1994 Co-Director, Research, Institute for Public Policy and Business Research, University of Kansas
- 1993-1993 Associate Director, Research, Institute for Public Policy and Business Research, University of Kansas.
- 1986-1993 Director, Economic Research, The Institute for Public Policy and Business Research, The University of Kansas.
- 1984-2000 Research Associate, The Institute for Public Policy and Business Research, The University of Kansas.
- 1984- Curtsy Professor of African and Afro-American Studies, University of Kansas
- 1981-1982 Intra-University Professor, Mathematics, The University of Kansas.
- 1976-1977 Fulbright-Hays Senior Scholar, Algeria.
- 1973- Professor, Economics, The University of Kansas.
- 1973-1974 Consultant, Sudan Government Transportation Project.
- 1969-1972 Associate Professor, Economics, The University of Kansas.
- 1968-1969 Visiting Associate Professor, Economics, The University of Kansas.
- 1967-1968 Head, Department of Econometric Models, Institute of National Planning, Cairo, Egypt.
- 1966-1967 Director of Econometric Studies, Office of the Minister of Treasury, Egypt.
- 1965-1966 Visiting Assistant Professor, Economics, Purdue University.
- 1965 Visiting Assistant Professor, Economics, University of Missouri-Columbia. Instructor, NSF Summer Workshop on Mathematics for Professors of Economics
- 1963-1965 Instructor, Economics, University of Minnesota.

MEMBERSHIP IN PROFESSIONAL ASSOCIATIONS

American Association for Evolutionary Economics

American Economic Association. .

Western Economic Association.

Econometric Society.

Society for Industrial and Applied Mathematics (SIAM).

SIAM Activity Group on Optimization.

TEACHING

Course taught at the Undergraduate level

Principals of Economics, Principals of Economics (honors), Microeconomics, Microeconomics (honors), Elements Economic Planning, Mathematical Economics, Economics for Mathematicians, Mathematical Analysis, Welfare Economics, Economic Development, Economics of Russia and Eastern Europe, Freshman honors tutorial on Economics and the Economy, Western Civilization, Culture of the Arabs, University scholars seminar (seminar theme: Time), Mystical Languages of unseeing, economics and the economy, Science, Technology and Society.

Course taught at the Graduate level

Microeconomics, Macroeconomics, General Equilibrium, Optimization Theory, Economics for Mathematicians, History of Economic Thought, History and Philosophy of Economics, Planning Theory, Techniques of Economic Planning, International Trade Theory, Advanced Microeconomic Theory, Economic Development, Economic Dynamics. Economics of Transition. Contemporary reading of economics classics: Adam Smith, David Ricardo, Karl Marx, Thomas Robert Malthus, Alfred Marshall, Thorstein Veblen, and Henry George.(one semester each), Applied General Equilibrium

SERVICE

To The Department of Economics

Undergraduate Program Committee, (several terms).
Executive Committee (elected) (several terms).
Oswald Chair Search Committee (chair)
Graduate Program Committee.(several terms) .
Recruitment Committee.
Coordinator of Speakers Program, 1987-1988.
Editor of Working Paper Series, 1987- 1993 .
Ad Hoc Committee to evaluate the teaching of the Principles Course, 1992-1993.
Graduate Admissions Committee, 1991- .1993

To The College of Arts and Sciences

Honors Faculty Fellow
Chair, Sabbatical Leave Committee (elected). two terms
Elections Committee. 1994-1995
Promotion and Tenure (elected) 1986-1988.
Chair, Committee to recruit a Soviet Area Studies Economist, 1990.
Search Committee for Soviet Area Specialist, 1990-1991.
College Program Evaluation Committee, 1992.
Recruitment Committee, Mathematics Department, several terms.
Sabbatical Leave Committee (elected), two terms.
Advisory Committee, Computer Science Department, 1992-1993.
Oversight Committee, Economics Department, 1993-1995
Executive Committee, REES (elected) 1994-1995, 1995-1996.

To IPPBR (Institute of Public Policy and Business Research)

Organizer of the Institute's Seminar Series.
Promotions committee

To The University

University Senate Research Committee, 1970-1975, 2001-
University Council (elected) (5 terms).
University Senate Executive Committee (elected 5 terms)
Chair University Senate Executive Committee (elected)1997-1998
President Elect of The University Council 1998
University Committee on Sabbatical Leaves.
Chair, University Committee on Planning and Resources.
Intra-University Professorship Review Committee.
FRPR Committee.
Mentor for University Scholars Program.
Truman Scholarship Committee.
Summer Honors Institute Committee.
Task Force on Minority Concerns, 1988.
Executive Committee of the Center for International Programs, 1988-91.
Chair, Subcommittee on Curriculum and Research, International Studies and Programs., 1989-1990.
Chair, Nominating Committee, International Studies and Programs, 1990.
University Promotion and Tenure Committee, 1988.
Chair, Ad Hoc Committee to study the Sabbatical Leave Process, 1989.
Chair, Ad Hoc Committee to study the University Salary Structure, 1989-1991.
Planning and Resources (chair 1991-92, 1992-93), 1990-1993.
Mission 2000 Steering Committee, 1991-1993.
University-wide Program Evaluation Committee, 1992-1993.
Committee to evaluate the Dean of the College, 1992-1993.

Search Committee for a University Professor of Political Economy, 1992-1993.
Committee on M.A. in International Studies, 1992-1993.
University Scholars Steering committee, 1993-

To The Profession

Referee for *Econometrica*, *Review of Economic Studies*, *Journal of Economic Theory*, *Journal of Economic Dynamics and Control*, *The Mid-American Journal of Politics*, *Journal of Optimization Theory and Its Applications*, *Journal of International Trade and Economic Development*, and *Journal of Economics*
Reviewer for *Mathematics Reviews*. Co-Chair: Applications of control theory in economic theory (with Fred Vanvleck) SIAM Conference on Control St Louis, April 1995. Unpaid Volunteer Professor for 2 weeks in New Economics School, Russian Academy of Sciences, 1995.
Outside reviewer for promotions decisions.
Member of the Editorial Board of *Middle Eastern Economics and Business Review*.
Member of the Editorial Board of the *Kansas Business Review*.
Co-chair, Program Committee, Association of University Business and Economic Research (AUBER) National Meeting, 1990.

To TheCommunity

Boy Scout Troop 60 Committee, 1972-1979. Helped with Officiating Track Meets for Kansas Relays and Lawrence Road Runners, 1980-1994. Day of Caring with Golden Key members at Ballard Center Sep 1995.

RESEARCH

MAJOR RESEARCH GRANTS and CONTRACTS

1. "Kansas Economy Modeling," Research Improvement Award, GRF-University of Kansas (with Anthony Redwood), 1984- 1986.
2. "Kansas Economic Modeling Project," Board of Regents Award (with Anthony Redwood), 1986- (300,000\$ a year, currently the project funding is part of IPPBR budget).
3. "Return on Public Investment," Kansas Technology Enterprise Corporation, 1991- .
4. "Kansas Water Supply and Demand," Water Resource Institute (with Bob Glass), 1991-1992.
5. "Existing Potential Legal and Economics Aspects of Kansas Water Markets," Water Resource Institute (with Norm Clifford, Bob Glass and John Peck), 1994
6. USAID Fiscal Restructuring Project with Barents Group, Moscow. 1994-1996
7. Fiscal Management Training Project, NTF - World Bank/Barents Group Moscow Russia 1998-

PAPERS PRESENTED AT PROFESSIONAL MEETINGS

1. "Tax Reform, the Russian Experience", IIF congress, presentation as member of the Russian Delegation, Moscow

1999

2. "Taxation of Human Capital" with Fred Van Vleck, Vienna Workshop on Dynamical Systems, Vienna 1997
3. "American Economic Theory", Plenary Presentation, Vienna Workshop on Dynamical Systems, Vienna 1997
4. "Gains from Trade with Exhaustible Resources; A Preliminary Investigation in a General Equilibrium Model" , with Janett Highfill, International Trade and Finance Association conference, San Jose, Costa Rica, May 1995.
5. "Discussion in George Stigler Prospective" by invitation workshop sponsored by Liberty Fund, Chicago, IL May 1995.
6. "Taxation of Human Capital" with Fred Van Vleck, SIAM Conference on Control, St Louis MO April 1995.
7. "Taxation of Human Capital", Invited presentation, Central Mathematical Economics Institute, Russian Academy of Science, Moscow, March 1995.
8. "Industrial Policy in the Context of Privatization." Invited address to Thirteenth Congress of The Egyptian Society for Legislation, Economics, and Statistics, Cairo, Egypt. November 1992.
9. "The Economics of Everything: The Economics of Time." The Fourth Viennese Workshop on Dynamic Economic Models and Optimal Control, Vienna, Austria. June 12-14, 1991.
10. "Ranking of Sectors in the Egyptian Economy," (with Hana'a Khair El Din, Cairo University). MEEA Meeting, Washington D.C. December 27-30, 1990.
11. "Internalizing Externalities and Parallel Computing." SIAM Annual Meeting, San Diego, California. July 17-21, 1989.
12. "Leading Sector Analysis with Uncertainty in Leontief Models," (with James Quirk). Regional Science Association 35th North American Meetings, Toronto, Canada. November 11-13, 1988.
13. "Positive Cone Controllability for Linear Control Systems with Delays," (with Fred Van Vleck). American Mathematical Society Eight Hundred Forty-fifth Meeting, University of Kansas. October 28-29, 1988.
14. "Modelling for Public Policy," (with David Burress and Norm Clifford). AUBER Conference 1988, Indianapolis, Indiana. October 9-12, 1988.
15. "Modelling the Kansas Economy," (with David Burress and Norm Clifford). Kansas Economic Outlook Conference, Lawrence, Kansas. October 7, 1988.
16. "Optimal Control with Several Criteria and Time Lags," (with Fred Van Vleck). DGOR, Berlin. September 13-16, 1988.
17. "A Dynamic I-S Curve." Eastern Economic Association, Boston, Massachusetts. March 1988.
18. "Optimization in the Channel Model II," (with Fred Van Vleck). DGOR, ULM. September 24-26, 1986.
19. "Optimization in the Channel Model I," (with Fred Van Vleck). 11th Symposium UBER Operation Research, Technische Hochschule Darmstadt. September 1-3, 1986.
20. "Efficiency, Discounting and Evaluation of Production Streams," (with William V. Weber). Econometric Society, New York, N.Y. December 1985.
21. "Demand Functions Over Time and the Permanent Income Hypothesis," (with William V. Weber). Eastern Economic Association, Pittsburgh, Pennsylvania. March 1985.

22. "Properties of Consumer's Demand Over Time." Second Vienna Workshop on Applications of Optimal Controls to Economics, Vienna, Austria. May 1984.
23. "Near Optima and Near Equilibria." Econometric Society Meetings, San Francisco. December 1983.
24. "Boom Towns, Queue up or Bust." Fourth International Conference on Mathematical Modeling, Zurich, Switzerland. August 15-17, 1983.
25. "Augmented Lagrangians and the Efficiency of Imperfect Competition." 11th IFIP Conference on System Modeling and Optimization, Copenhagen, Denmark. July 25-29, 1983.
26. "Supply of Labor: Midwest Mathematical Economics Association." Ann Arbor, Michigan. November 1981.
27. "Some Welfare Economic Remarks about Impacted Communities." Eastern Economic Association, Montreal, Canada. May 1980.
28. "Evaluation of Long Term Forecasting Models." JPL-CALTCH Conference on Coal Models, Carmel, California. July 1979.
29. "Economic Policies and Optimal Management of Forest Resources." SIAM Meeting, Toronto, Canada. June 1979.
30. "Stadium Capacities and Attendance in Professional Sports," (with J. Quirk). ORSA-TIMS Meeting, San Juan, Puerto Rico. October 1974.
31. "An Optimal Growth Model with Time Lags," (with Loehman and Whinston). Econometric Society Meetings, Detroit, Michigan. 1970.
32. "Optimal Growth with Time Lags," (with Andy Whinston). Kansas-Missouri Seminar in Theoretical and Applied Economics, Lafayette, Indiana. 1970.
33. "Decentralized Characterization of Optimal Economic Development Programs." Kansas-Missouri Seminar in Theoretical and Applied Economics. Boulder, Colorado. February 1969.
34. "Price Implications of Dynamic Pareto Optimality," (with Akira Takayama). The
35. Econometric Society Meetings, Toronto, Canada. October 1967.

WORKING PAPERS

1. Optimal Resource Allocation Over Time, (Institute Paper No. 127). Graduate School of Industrial Administration, Purdue University.
2. A Calculus of the Unbiasedness of Competitive Equilibrium, (Institute Paper No. 134). Graduate School of Industrial Administration, Purdue University.
3. Two Essays on Dynamic Micro Economics, (Institute Paper No. 135). Graduate School of Industrial Administration, Purdue University, 1966.
4. Constrained Extrema of Functions of a Finite Number of Variables: Review and Generalizations, (Institute Paper No. 141). Graduate School of Industrial Administration, Purdue University, 1966.
5. Optimization Theory, in Introduction to Economic Dispatch, Short Course on "Computer Models and Stimulation Techniques for Power System Engineering," Purdue University, 1966.

6. "The Karush Characterization of Constrained Extrema." UAR Ministry of Treasury, Research Memoranda, Series A, No. 3, 1967.
7. Notes on Optimization Theory, (Research Paper No. 21), Research Papers in Theoretical and Applied Economics. Department of Economics, University of Kansas, 1969.
8. Derivative Characterization of Constrained Extrema of Functionals, (Research Paper No. 34), Research Papers in Theoretical and Applied Economics. Department of Economics, University of Kansas.
9. Two Static Economic Applications of the Calculus of Variations, (Research Paper No. 47), Research Papers in Theoretical and Applied Economics. Department of Economics, University of Kansas, 1973.
10. Two Notes on Optimization Theory, (Research Paper No. 54), Research Papers in Theoretical and Applied Economics. Department of Economics, University of Kansas, 1974.
11. Local Equilibria, Local Optima and Nonconvex Preferences, (Research Paper No. 56), Research Papers in Theoretical and Applied Economics. Department of Economics, University of Kansas, 1974.
12. On Comparative Dynamics, (with James Quirk), Social Science Working Papers, No. 67. California Institute of Technology, 1974.
13. The Plausibility of Asymmetry in Quantity Price Response in Demand Analysis, Research Papers in Theoretical and Applied Economics, No. 93. University of Kansas, 1981.
14. Two Notes on Labor, Research Papers in Theoretical and Applied Economics, No. 98, 1981.
15. Keynesian Equilibrium of Classical Labor Market, Research Papers in Theoretical and Applied Economics, No. 101, 1982.

PUBLICATIONS

BOOKS AND MONOGRAPHS

1. Introduction to Mathematical Analysis, (with Moheb Ghaly) (in Arabic). Egypt: Asiat University, 1969.
2. Constrained Extrema: Introduction to the Differentiable Case with Economic Application, in Lecture Notes in Operations Research and Mathematical Systems, No. 56, New York, Heidelberg: Springer-Verlag, 1971.
3. Translation from Russian of Mathematical Theory of Economic Dynamics, by Rubinov, A.M. and Makarov, V.L. New York, Heidelberg: Springer-Verlag, 1976.
4. Microeconomic Theory, (with Yoshi Otani). New York, Heidelberg: Springer-Verlag, 1987.
5. Extrema of Smooth Functions with Examples from Economic Theory. New York, Heidelberg: Springer-Verlag, 1991.

ARTICLES

1. "Programming, Pareto Optimum and Existence Competitive Equilibria," (with Akira Takayama), *MetroEconomica*, Vol. 20, No. 1 (January-April 1968), 1-10.

2. "Pareto Optimality and Competitive Equilibrium in a General Equilibrium Model of Economic Growth." In *Papers in Quantitative Economics*. Lawrence, Kansas: University of Kansas Press, 1971.
