University of Kansas

Spring 2021 Courses

This list presents courses offered in Spring 2021 that are approved to count toward REES degrees. In general, a course counts toward a REES degree if a minimum 25% of its content is dedicated to Russia, Eastern Europe, and/or Eurasia.

Students can count a course marked with an asterisk (*) toward their REES degrees if their major project or term paper in the course is dedicated to a REES-related topic.

Please direct enrollment questions to REES advisors:
